ONTARIO
More to discover

Why not make the smart choice to become a Safe Rider *today*?

Safe RIDER

Being a Safe Rider and riding responsibly is a personal choice you make every time you operate a snowmobile.

To make snowmobiling a safe recreational activity and reduce your own risk of injury or death, here are some of the safe riding behaviours that will help you make smart choices:

- review and understand all the safety materials provided with your sled
- stay on marked OFSC trails
- keep to the right side of the trail
- slow down on all corners and when cresting hills
- avoid consuming alcohol
- wear an approved snowmobile helmet
- stop before crossing roads and railway tracks
- use the approved snowmobile hand signals
- wear reflective clothing at night
- carry an emergency survival kit
- always ride with a buddy

Remember, like most other motorized recreational activities, snowmobiling can be a high risk sport if you do not ride safely and responsibly. The legal provincial speed limits for snowmobiles are: 50 km/hr on trails; 20 km/hr on highways with automobile speed limits of 50 km/hr or less; and 50 km/hr on highways with automobile speed limits of more than 50 km/hr.

Take the Safe Rider Pledge today!

sledding our groomed trails

From Kenora to Kingston, Cochrane to Caledon, we're rolling out the white carpet to welcome you to "Snow Country Ontario" – a place where winter is a season to embrace and revel in. We have the trails, towns and terrain to fulfil almost any snowmobiler's fantasies.

Whether you dream of table-top smooth groomed trails flanked by craggy cliffs...gliding across stake-marked frozen lakes with pine-lined shores...roughing it in rustic cottages or relaxing at a luxurious resort...tripping by day or trekking by night under the Northern Lights...you'll find the ultimate snowmobiling thrills in "Snowmobile Paradise."

The Ontario Federation of Snowmobile Clubs' (OFSC) 261 member clubs, operating a 350 piece fleet of grooming equipment, restore trails as conditions permit. OFSC trails are generally 3 m (10 ft.) to 9 m (30 ft.) wide. Colour-coded signs and reflective stakes identify most main corridors and water crossings.

Trail Highlights

- Ontario boasts the largest recreational trail system in the world, earning the nickname, "Snowmobile Paradise."
- With 46,000 km (28,580 mi.) of interconnected OFSC trails, up to 300 cm (120 in.) average snowfall in some areas and diverse terrain, you can enjoy every snowmobiling experience imaginable.
- Ontario offers world-class trail riding for snowmobilers of all ages and experience levels. Combine this with the low amounts of traffic and it makes for a perfect ride along endless trails – often without seeing any other riders.
- Discover all the off-trail activities and adventures waiting to excite and delight you in Snow Country Ontario.

The OFSC Trans Ontario Provincial (TOP) trails are designed to provide snowmobile-friendly access to hundreds of communities who warmly welcome you with accommodations, restaurants and services including sled maintenance, spare parts, snowmobile/trailer parking, sled rentals and fuel stops. When you're not on the trails, check out the multitude of other activities that make a visit to Snow Country a heartwarming experience. Avid anglers enjoy some of the best ice fishing in the world. Explore thousands of kilometres of groomed cross-country trails that wind through pristine forests. Make memorable downhill runs on mogul-filled slopes. Once a primary mode of winter transportation, try your hand at dogsledding. And for an energizing toboggan, runner sled or snow tube ride, pick any hill in the province. When it's time for some indoor action, you'll find shopping, dining, theatres, attractions and museums of all kinds in cities and smaller centres throughout the province.

So come hop on your snowmobile, rev up your engine, take to the trails and discover why...s'no place like Ontario. For more information on Snow Country fun, please visit www.ontariotravel.net

Ontario's Snowmobile Routes

This map shows the Trans Ontario Provincial (TOP) Snowmobile Trail System which connects approximately 18,000 miles of regional trails (not shown).

It is now law in the province of Ontario that each sled using an OFSC trail must display a valid snowmobile trail permit. Trail permits can be purchased at thousands of snowmobiling service and hospitality locations throughout the province. For more information, visit www.ofsc.on.ca. See page 21 for an overview of snowmobile trails in Ontario.

STAY CLEAR, STAY SAFE

ONTARIO POWER GENERATION CARES ABOUT YOUR SAFETY. That's why we're asking Ontario residents and visitors to stay clear of our hydroelectric stations and dams. They're unsafe places for recreation activities in winter – and throughout the year. Some dams have spillway gates that may be remotely controlled and, in just a few minutes, can change a dry

canal into a river channel with dangerous flows. And strong currents in the reservoirs behind the dams – especially near the power intakes and sluiceways – are dangerous throughout the year, and can create unsafe ice conditions in the winter. **So remember: STAY CLEAR of all hydroelectric power stations, dams, and spillway channels...and STAY SAFE.**

putting our energy to good use
www.opg.com

ONTARIO POWER
GENERATION

sledding *Our Regions*

northern ontario

Experience the exhilarating freedom of a vast white wilderness dotted with welcoming, snowmobile-friendly communities. Enjoy door-to-door access from thousands of kilometres of groomed OFSC trails to every service you might need. Trek out on tours through towering forests, over frozen lakes and amidst amazing wildlife. Join the fun in poker runs, winter festivals, ice fishing competitions, skiing, ice climbing and dog sledding. Come ride the land of the Canadian Shield where natural wonders are found around every corner.

MANITOBA

Sunset Country Ride with the wind or slice through it as spectacular vistas take your breath away. Or ride beside a frozen river into a magnificent sunset.

North of Superior Wide groomed trails lead you to the highest, most challenging mountainous terrain in Ontario or into the glory of deep-powder riding.

James Bay Frontier From wide-open runs to guided tours to saddlebag treks and ultimate wilderness adventures, you can tour for weeks and never ride the same trail twice.

Algoma Country Diverse terrain offers unlimited snowmobiling opportunities – from steep trails meandering up mountainous hills to gently rolling countryside to the rush of following a stake line across a frozen lake.

Rainbow Country Snowmobile under clear blue skies as you skim across countless marked lake trails, glide through majestic forests and catch sight of an astounding variety of wildlife.

Near North Home of “The Greatest Snow on Earth,” this spectacular area is known for its self-guided tours and offers limitless riding possibilities for every level of expertise.

MINNESOTA

southern ontario

Ride almost 23,000 kilometres (14,250 mi.) of Ontario's most established and best developed OFSC trails through a wide variety of terrain ranging from cottage country lakelands to rolling farm country and the rugged Precambrian Shield. Discover the diversity of a region where rural simplicity meets urban pizazz and there's a new memory awaiting around every corner. Located in close proximity to border access points at Detroit, Port Huron, Buffalo and along the St. Lawrence River, this region boasts numerous trailheads that are the gateway to Ontario snowmobiling.

Southwestern Cruise over “Sunshine Coast” sand dunes and ridges of the Niagara Escarpment. Sled along old railway beds, through rolling countryside, magnificent forests, dense bush and open straight-aways.

Central In cottage country you can ride beside hundreds of frozen lakes or follow magnificent trails through Precambrian forests under a sparkling white canopy formed by towering trees.

Eastern Discover the diverse landscapes, charming villages, friendly people and distinct French flavour of communities along the Ottawa River, while riding some of the region's most historical trail corridors.

sledding in Southwestern Ontario

When the showy colours of autumn begin to fade, Southwestern Ontario transforms itself into a snowy wonderland where over a quarter-century of trail building and grooming have established an exciting network of OFSC snowmobile trails.

Stretching from Niagara Falls to the tip of the Bruce Peninsula and The Blue Mountains from Lake Huron to Kitchener/Waterloo, this vast winter haven offers an incredible variety of riding terrain, on TOP Trails located north of the Highway 401 corridor. Visitors from New York, Pennsylvania and New England can easily access this area from Detroit, Niagara Falls and Buffalo.

On the trails in Bruce County, ride over imposing "Sunshine Coast" sand dunes, on old railway beds or through the rolling countryside, dense bush and open straight-aways of Saugeen Country. And in Grey County,

Trail Highlights

- Rock TOP Trail B10 and B1000 which connects Goderich on the Bruce Peninsula
- Bruce and Grey counties combined have over 3,000 km (1,800 mi) of groomed TOP snowmobile trails
- Polar zone runs including snowmobile friendly routes are organized throughout the region by local snowmobile clubs
- For your safety and comfort all snowmobile trails in Southwestern Ontario are fuel local, there's nothing frozen lakes.
- Major border crossings from the U.S. to Canada include Windsor, Sarnia, Port Huron and Bruceport.

follow the ridges of the Niagara Escarpment on trails that will take you through majestic forests of cedar, spruce, pine and fir, all decked out in winter finery.

Catch a feeder trail near Goderich, Strathroy or Fergus and link up with the TOP Trail B and ride into the rest of the province. Numerous TOP and local trails also connect many of Southwestern Ontario's snow belt communities and resort areas where you can enjoy a multitude of activities – downhill and cross-country skiing, snowboarding, snowshoeing, ice fishing, winter festivals, shopping and dining. After your exciting day on the trails, stay in a wide range of accommodations varying from bed and breakfasts, cottages, motels, hotels and full-service resorts.

For more information about snowmobiling in Southwestern Ontario, please visit www.brucecounty.on.ca/tourism, www.greycounty.on.ca or www.ontariotravel.net

SOUTH GREY COUNTY

The South Grey Regional Snowmobile Association consists of six community snowmobile clubs maintaining 775 km (480 mi.) of OFSC groomed trails.

Communities that are connected include Arthur, Durham, Conn, Mount Forest, and south of Grey County the charming villages of Fergus and Elora where you'll discover quaint shops, a variety of restaurants and accommodations including bed and breakfasts. Fergus and Elora are also near the cities of Guelph and the twin cities of Kitchener/Waterloo, which celebrate their German heritage with schnitzel, bratwurst and other hearty Bavarian fare. Other winter recreational activities include cross-country skiing, snowshoeing, skating and winter camping.

NORTH GREY AND BRUCE COUNTIES

SOUTHAMPTON/SAUBLE BEACH

Located on Ontario's Sunshine Coast, Southampton is known for its lighthouse, awesome winter landscapes, cross-country skiing trails, and exhilarating

snowmobiling trails that soar over spectacular sand dunes. Sauble Beach, which is just north of Southampton, is a popular four-season resort which hosts the Sauble Beach Winterfest in late January and the Sauble Sno Riders Radar Run in mid-February. From Sauble Beach, take Trail B108 and venture to Tobermory situated on the tip of the Bruce Peninsula.

TOBERMORY

Pretty as a Christmas card, this community is your gateway to the breathtaking OFSC trails that run along the ridges of the Niagara Escarpment. Maintained by the Tobermory Snowmobile Club, the majority of trails run through forests of cedar, spruce, pine and tamarack and along a number of beautiful inland lakes. There are restaurants, motels and gas stations along the trails and you'll find an abundance of winter recreational activities including the thrill of ice-diving in Fathom Five National Marine Park.

LION'S HEAD

Rev up your engines and head south on TOP Trail B108 to B107 that will take you to Lion's Head, situated on the

45th parallel, halfway between the equator and North Pole. Named for the silhouette of a lion's head eroded in the limestone, this charming village of boulder-faced cottages hosts the Central Bruce Peninsula Winter Carnival each February.

WIARTON

Famous for the Wiarton Willie Groundhog Festival when the resident albino groundhog predicts the

arrival of spring, this old-world town on scenic Colpoys Bay is a mecca for ice fishing, snowmobilers and other winter outdoor enthusiasts. Wiarton offers a variety of accommodations and it's a good place to load up on supplies because it's the largest shopping

area on the peninsula.

OWEN SOUND

Head south from Wiarton to TOP Trail B and catch Trail 110 for a run through the scenic Beaver Valley or follow the main trail to Owen Sound, a spectacular city that truly knows how to celebrate winter.

Flanked on both sides by the imposing cliffs of the Niagara Escarpment, Owen Sound has an average snowfall of 340 cm (132 in.) and has in fact, been named "one of the snowiest cities in North America." In addition to just about every winter recreational activity one can imagine, snowmobilers can enjoy the Festival of Northern Lights with 11 km (7 mi.) of stringed lights, 200 lighted displays and special events every weekend from mid-November to early January. And for one of Ontario's most exciting snowmobiling events, don't miss the Georgian Bay

Cup Snowmobile Races, an annual stop of the professional circuit, which is held each February.

In Owen Sound and the surrounding area, there are over 400 motels, hotels and bed and breakfasts, many with direct access to trails. During your stay enjoy dining, shopping and attractions like the Billy Bishop Museum and the Tom Thomson Memorial Art Gallery.

THE BLUE MOUNTAINS

Formerly Thornbury and Collingwood Township, The Blue Mountains is renowned for its resorts and spectacular downhill skiing, snowboarding and cross-country skiing.

For information on Bruce County, please visit www.naturalretreat.com/snow

For Grey County, please visit www.greycounty.on.ca or www.ontariotravel.net

sledding in **Central Ontario**

When winter blankets Ontario's beloved cottage country with all its wonders, this land of shining waters becomes a vast oasis of ice-covered lakes, snow-draped forests and awesome white hills, offering thousands of kilometres of groomed snowmobile OFSC trails.

Spanning an area from Toronto to Southern Georgian Bay and the Muskoka Region, and eastward to the Bancroft District and the Kawartha Lakes, Central Ontario is a wonderful combination of riding terrains where the only limitations are your imagination and inclination. For U.S. visitors from New York, Pennsylvania and Ohio, this area is easily accessible via Buffalo and Niagara Falls.

Climb the ridges of the Niagara Escarpment around the Blue Mountains or the commanding hills of the Bancroft District. Glide through pastoral farmland and gently rolling countryside. Wind your way beside hundreds of

Trail Highlights

- Ride to your heart's content on close to 8,000 km (4,960 mi.) of groomed OPS trails.
- Climb on TOP Trail B to the heights overlooking Nottawasaga Bay near Collingwood or to the top of the ranger tower just off TOP Trail D101B near Dorset – Central Ontario is a sightseers delight.
- Ride TOP Trails B, C & D through a winter wonderland of snow-covered pines and hardwood forests in the picturesque Central Ontario lakelands.
- Many resorts offer fabulous snowmobiling packages with amenities including indoor pools, fitness centres, nightly entertainment and more.

spectacular lakes. Try your luck at ice fishing. Or follow magnificent trails through Precambrian forests.

Along the way, stop in small cities, towns and villages where the welcome mat is always out for snowmobilers. Participate in local snowmobiling events like poker runs and races or stay on for the many annual winter festivals in the area. At day's end, choose from a variety of accommodations to suit every budget, ranging from housekeeping cottages to country inns, bed and breakfasts, motels and full-service resorts with every amenity.

And after you hit the trails, take time to enjoy all the other activities this region has to offer – downhill and cross-country skiing, snowboarding, snowshoeing, tobogganing, dog sledding, skating and ice fishing.

For more information about snowmobiling in Central Ontario, please visit www.getawaycountry.com or

www.ontariotravel.net

DURHAM REGION

Considered the "Gateway to Ontario Snowmobiling,"

Durham Region is located less than an hour east of Toronto.

Snowmobilers can glide over 650 km (403 mi.) of groomed trails winding through the rolling countryside of the Oak Ridges Moraine and along the shores of Lake Scugog. From the community of Port Perry, follow Trail E108 north to B103 to connect with the Southern Georgian Bay or Kawartha Trails.

For more information about sledding in the Durham Region, please visit www.region.durham.on.ca or call 1-800-413-0017.

SOUTHERN GEORGIAN BAY

BARRIE/COLLINGWOOD/WASAGA BEACH

Barrie, the gateway to winter activities, is a major service and retail centre, boasting alpine and cross-country skiing plus ice fishing on Kempenfelt Bay.

Located on the southern shores of Georgian Bay, Collingwood is one of Ontario's premier winter resort areas with lots of restaurants, night spots and a wide range of accommodations. And it's a fabulous place to stay if you want to get in some alpine skiing on Blue Mountain or ski one of the many cross-country trails

in the area. From Blue Mountain, head to Wasaga Beach for a thrilling run on the longest freshwater beach in the world. Wasaga Beach also has 30 km (18 mi.) of marked and groomed cross-country trails and new snowshoe trails through dunes and forests.

For more information about sledding in Southern Georgian Bay, please visit www.georgiantriangle.org.

www.wasagabeach.com or call 1-866-2WASAGA (292-7242) or 1-705-429-2247.

MIDLAND/PENETANGUISHENE

These towns gear up for winter with an average snowfall of 350 cm (136 in.) that packs itself on 150 km (93 mi.) of groomed OFSC trails running through forested lands and along the beautiful shores of Georgian Bay. The locals celebrate winter with ice fishing, snowshoeing, skiing and the Midland Winterfest. Look for a good selection of accommodations, restaurants and entertainment.

Outside of Midland, take TOP Trail C and follow it north to Muskoka or to TOP B105 which heads south to Orillia where you can test your luck at Casino Rama and take in big-name entertainment.

For more information about sledding in Midland/Penetanguishene, please visit www.town.midland.on.ca

MUSKOKA

Spectacular in summer and breathtaking in winter, Muskoka is a snowmobilers' paradise boasting almost 2,000 km (1,200 mi.) of groomed OFSC trails with terrain that features Precambrian forests. And with its range of restaurants, resorts and other accommodations, it's definitely a place to put on the brakes and take a break with a warm Jacuzzi or a cosy fire. Popular stop-off points include Bracebridge, Gravenhurst and Bala.

HUNTSVILLE

Located at the northern end of the Muskoka Region, Huntsville is one of Ontario's most popular

four-season resort areas and a place where you can take your winter fun anyway you like it. Fly down the slopes, cross-country ski, skate at Muskoka Heritage Place, or toboggan down the harrowing run at Arrowhead Provincial Park.

For more information about sledding in Muskoka, please visit www.muskoka-tourism.on.ca

HALIBURTON HIGHLANDS AND BANCROFT

If you're looking for reliable snow conditions and the

challenge of climbing hill after hill, the 1,200 km (720 mi.) of groomed OFSC trails in the Haliburton

Highlands are just the ticket.

Stay in the pleasant lakeside village of Haliburton and sled through a white canopy of hardwood trees and giant white pine in the nearby Haliburton Forest and Wild Life Reserve. Or head east on TOP Trail E to Bancroft, the mineral capital of Canada. A gem for snowmobilers with 2,000 km (1,200 mi.) of trails, this region hosts a number of winter festivals including the Bancroft Frosty Frolics and Bancroft Sled Dog Races.

For more information about sledding in the Haliburton Highlands, please visit www.haliburtonhighlandschamber.on.ca

For Bancroft, please visit www.commerce.bancroft.on.ca

CITY OF KAWARTHAS LAKES

A vibrant landscape of shining lakes and rivers in the summer, City of Kawartha Lakes becomes a snowmobiler's paradise in the winter. As the gateway

to the North, Kawartha Lakes offers not only over 800 km (500 mi.) of groomed OFSC trails just over an hour north east of Toronto, but an array of winter activities and attractions for the whole family to explore and enjoy.

Our beautiful snow covered scenery from Bethany in the south, through Lindsay, Bobcaygeon and Fenelon Falls, to Kinmount and Dalrymple in the north attracts snowmobilers looking for great scenic rides. Cosy inns, motels and bed and breakfasts with excellent dining and entertainment in each community await you. Many winter carnivals and festivals are scattered throughout Kawartha Lakes, appealing to the entire community.

Come and discover yourself in Kawartha Lakes...Enjoy the warm and friendly Kawartha hospitality found year-round everywhere you go.

For more information on the City of Kawartha Lakes, accommodations, amenities, events and attractions this winter, please visit www.city.kawarthalakes.on.ca or call 1-888-822-2225.

LINDSAY AND PETERBOROUGH

If something more urban is to your liking, try Lindsay or the city of Peterborough where you can skate at the famous Hydraulic Liftlock on the Trent-Severn Waterway. Look for a full range of accommodations, nightly entertainment, shopping, and a good selection of restaurants in both locations.

For more information about snowmobiling in the Kawartha Lakes Region, please visit www.thekawarthas.net or www.countyofvictoria.on.ca

The Beach is just the beginning...

Some things come naturally.

Postcard perfect winter days.

Snowmobiling on groomed trails along our world famous beach and the sheltered woodlands. Cross country skiing on scenic trails crisscrossing snow covered dunes. Snowshoeing along a meandering river bank. Outdoor skating under a crisp winter sky.

Wasaga Beach is the perfect place for a winter getaway. Stay awhile. Shop. Catch a special event. The Beach really is just the beginning.

SNOWMOBILE TRAILS IN ONTARIO – AN OVERVIEW

Ontario has 46,000 km (28,520 miles) of 'prescribed' snowmobile trails groomed and maintained by local snowmobile clubs who belong to the Ontario Federation of Snowmobile Clubs (OFSC). These trails are marked with signs indicating 'OFSC Prescribed Trail', and each recreational snowmobile using them requires a valid Snowmobile Trail Permit (see Regulations for specific exemptions).

The OFSC trail system includes both Trans Ontario Provincial (TOP) Trails and regional trails. TOP Trails are 18,000 km (11,160 miles) of primary tourism routes, running from Manitoba in the west to Quebec in the east with links to many snow belt communities, major border crossings, tourism regions and regional trail systems. In addition, 28,000 km (17,360 miles) of groomed OFSC regional trails feed into the TOP Trail system, providing local links to a host of other communities, services and amenities, events and attractions.

Navigating the OFSC TOP Trail system is easy. There are three types of TOP Trails: Trunk, Feeder and Connector. Here's how the system works:

TRUNK TRAILS

These main routes for provincial touring are designated by a single letter of the alphabet (e.g. "A") and are colour-coded RED on trail maps and signs.

FEEDER TRAILS

Feeding traffic onto Trunk Trails, these routes are designated by a letter and a 3-digit number (e.g. C112). The letter indicates the Trunk

Trail to which the trail leads. Feeder Trails are colour-coded purple on trail maps and signs.

CONNECTOR TRAILS

Linking one Trunk Trail to another, Connector Trails are designated by a one letter – three digit number – one letter combination (e.g. A101D). The letters indicate what two Trunk Trails are being connected. Connector Trails are colour-coded green on trail maps and signs.

OFSC snowmobile trails travel through some of the most remarkable scenery and breathtaking sights available anywhere, and local clubs strive to make their trails as safe as uncertain conditions allow. It is important to remember that snowmobiling occurs in an off-road riding environment that encompasses an infinite variety of unpredictable terrain and unforeseeable natural phenomena. Thus, riding on OFSC snowmobile trails should not be viewed as similar in any way to travel on public roads, where legal requirements, enforcement, regular maintenance, resources, and engineering combine to ensure high standards and predictable conditions. Anything can happen during an off-road experience such as snowmobiling, so snowmobilers must take responsibility for their own riding safety and decisions. Snowmobilers should obey all provincial laws, ride defensively, exercise sound personal judgment and make individual smart choices at all times. In the constantly changing surroundings that characterize OFSC snowmobile trails, it is always prudent to expect the unexpected.

sledding in Eastern Ontario

When Mother Nature drapes this region with her snowy, white blanket, this land of lakes, forests and farmland beckons sledders from far and wide who come for the crisp, old-fashioned winters and the warm hospitality that has made Eastern Ontario famous.

Encompassing a huge triangular area extending from Napanee by Lake Ontario to Deep River on the Ottawa River, and extending east almost to Montreal, Eastern Ontario boasts over 8,000 km (4,960 mi.) of groomed snowmobile OFSC trails. For U.S. visitors, this region is easily accessible from New York, Pennsylvania and New England via various crossings along the St. Lawrence River.

So rev up your machine for a ride on the Canadian Shield where trails lead to scenic lakelands, towering forests, rolling farmland and picturesque little towns and villages. Experience a little bit of France on TOP Trail E212Q to Rockland,

Trail Highlights

- Eastern Ontario is known for its inn-to-inn sledding tours and offers a wide selection of packages.
- Check out Eganville's Toromont-Cat Bonnechere Cup World Series of Ovals, the Old Snowmobile Show or Mac's Twin 50 Enduro Vintage Snowmobile Races.
- Zoom along 2,400 km (1,500 mi.) of groomed TOP and local trails in Renfrew County.
- Sled past rustic barns, old stone fences and ghost towns on the Opeongo Line.
- Ride TOP Trail E103, an abandoned rail line through the scenic Rideau Lakes Region or explore some of Ontario's oldest farm settlements on TOP Trail E105 along the St. Lawrence River.

Bourget or Hawkesbury, or better yet, consider an inn-to-inn touring package with a route that suits your vacation time and riding style. Then, book your package and upon arrival, participating hospitality hosts will provide you with advice on the best routes based on current snow conditions and the length of time you want to spend on your sled.

But no matter whether it's inn-to-inn or striking out on your own, you can expect the hospitality of Eastern Ontario to extend well beyond snowmobiling. In addition to a complete range of restaurants and accommodations with welcoming proprietors, there's a myriad of seasonal activities that are yours to enjoy – downhill and cross-country skiing, ice fishing, winter carnivals and hockey, which has always played a key role in this region's sporting life.

For more information about snowmobiling in Eastern Ontario, please visit www.LOL.on.ca, www.ottawavalley.org or www.ontariotravel.net

Eastern Ontario

LAND O'LAKES

Known for its charming small towns and villages, Land O'Lakes includes Sharbot Lake, Northbrook, Verona, Cloyne and Napanee which is located at

the southernmost point of the Land O'Lakes trails. Named one of the "Prettiest Towns in Canada," Napanee is a beautifully preserved town with Victorian architecture, quaint little shops, restaurants and a full selection of accommodations from bed and breakfasts to cottages, motels and hotels.

In Land O'Lakes, look for awesome trails that lead through an unspoiled winter landscape with numerous lakes, conservation areas and provincial parks including Bon Echo, which has snowmobile trails. Expect riding terrain that includes Precambrian Shield, highlands, forests, lakes, rolling farmland and old railbeds.

For more information about snowmobiling in Land O'Lakes, please visit www.LOL.on.ca or www.ontariotravel.net

SMITHS FALLS (LANARK COUNTY)

and Smiths Falls Railway Museum. It's also a snowmobiling gateway to the Ottawa Valley (Lanark

Situated at the mid-point of the Rideau Canal along TOP Trail E103, Smiths Falls is home to Hershey Canada

County) and to the French-speaking counties of Eastern Ontario. From Smiths Falls, follow Trail E103 to connect with TOP Trail A at Arnprior.

For more information please visit <http://town.smiths-falls.on.ca> or www.lanarkontario.com

OTTAWA VALLEY (RENFREW COUNTY)

Nestled between Ottawa and Algonquin Provincial Park, the Ottawa Valley boasts over 2,400 km (1,500 mi.) of groomed TOP and local trails that follow historic railbeds and old logging roads, and wind their way through woodlands, rolling countryside and picturesque little villages. All along this vast network of trails, regional clubhouses welcome visitors and host many snowmobiling competitions, festivals and events throughout the winter.

For more information about sledding in the Ottawa Valley, please visit www.ottawavalley.org or call 1-800-757-6580.

ARNPRIOR

The town of Arnprior sits gracefully at the confluence of the Ottawa and Madawaska rivers and is an area where winter activities abound. So park your snowmobile for a while and try to haul in walleye or pike on one of the region's many frozen lakes.

Alpine ski or snowboard at nearby Calabogie Peaks or Mount Pakenham. And cross-country ski right in town or glide through a forest of century-old

pine and 300-year-old bur oak in nearby Fitzroy Provincial Park.

If you opt to ride west from Arnprior to Renfrew, Eganville and Barry's Bay, your adventure will take you past the remnants of great hardwood forests, rustic barns, old stone fences and ghost towns which were once on the historic Opeongo Line, a road developed in the 1880s to facilitate colonization of the area.

For more information please visit

www.townarnprior.on.ca

RENFREW

Named for the town and shire in Scotland, Renfrew is a thriving little community set amid a number of lakes and rivers. Here you can sled along the old K & P

Railway Line, which ran from Kingston to Pembroke. Or use Renfrew as your departure point for the Valley Snowtour, a unique 120 km

(75 mi.) circular, inn-to-inn trek through the spectacular Madawaska, Bonnechere and Ottawa valleys that includes the villages of Denbigh and Barry's Bay.

For more information please visit

www.renfrewontario.com

EGANVILLE

Known as "Snowmobile City," Eganville lives up to its reputation with a flurry of first-class snowmobiling events. In mid-January, the town hosts the Eganville Old Snowmobile Show, an astonishing display of machines from the past. Come February, it's the site of the Toromont-Cat Bonnechere Cup World Series of Ovals, which draws competitors and fans from all

over North America. Later on in the month, catch a race of a different sort – Mac's Twin 50 Enduro Vintage Snowmobile Races featuring pre-1975 machines on a quarter-mile oval track.

For more information please visit

www.renc.igs.net/~eganville/

BARRY'S BAY

Established as a timber camp in the mid-1800s, Barry's Bay is the terminus of the Opeongo Line. See the Barry's Bay Railway Station, one of the few original stations left in Ontario, and celebrate the community's past at Timberfest Celebrations held each February.

For more information please visit

www.barrysbay.com

PEMBROKE/PETAWAWA

Tucked away in the heart of Renfrew County on the Ontario/Quebec border, Pembroke is a comfortable blend of city services and hometown hospitality. Known for its 21 murals and tradition of wood-carving, Pembroke has also carved out a niche as premier snowmobiling destination. Look for a full range of accommodations and winter activities including Junior A Hockey, and the Pembroke Snospree in February.

In nearby Petawawa, cross-country ski or snowshoe in the Petawawa Research Forest, Canada's oldest monitored research forest.

For more information please visit

www.town.petawawa.on.ca or

SUPER SLEDDIN'

Take a Snowmobile Tour to remember... Round Algonquin Park.
We have the route and great places to stop or stay along the way!
Over 900kms of spectacular sledding waiting to be discovered.
Take 2 or 3 days to enjoy our winter playground.

The map shows a circular route through Algonquin Park and surrounding areas. The route is marked with four segments: A (top), B (right), C (bottom), and D (left). The map includes labels for various towns and lodges, along with icons indicating accommodations, dining, rentals, repairs, and fuel availability.

Segments:

- Segment A:** Mattawa to Deep River.
- Segment B:** Deep River to Barry's Bay.
- Segment C:** Barry's Bay to Bracebridge.
- Segment D:** Bracebridge to Mattawa.

Accommodation and Dining Points:

- Valois Motel & Restaurant** (Hwy 17, 701 Valois Drive, Mattawa, Ontario, (705) 744-5583)
- Mattawa Golf and Ski Resort** (Mattawa, Ontario, www.golfski.com, 1-800-762-2339)
- Antler's Kingfisher Lodge** (Deux Rivières, Ontario, www.antlers-lodge.com, 1-877-784-7864)
- Bear's Den Lounge & Motel** (Deep River, Ontario, [bearsden@bellinet.ca](mailto:bearsdens@bellinet.ca), (613) 584-9795)
- Spectacle Lake Lodge** (Barry's Bay, Ontario, www.spectaculakeodge.com, 1-800-567-4044)
- Sandy Lane Resort** (Minden, Ontario, www.sandylaneresort.com, 1-800-461-1422)
- Silver Eagle Resort** (Eagle Lake, Ontario, www.silvereagleresort.com, 1-800-495-6348)

Location Distances:

Location	Distance	Fuel
Minden to Eagle Lake	65km	Gas
Eagle Lake to Spectacle Lake	92km	Gas
Spectacle Lake to Deep River	160km	Gas
Deep River to Deux Rivières	82km	
Deux Rivières to Mattawa	55km	Gas
Mattawa to South River	188km	Gas
South River to Minden	259km	Gas
TOTAL	901km

Lanark Timber Run
Golf Club & Restaurant

154 Caldwell Road, Lanark, Ontario

Timber Run - Where recreational fun and beauty of Lanark County meet

Timber run offers over 200 acres of natural rolling landscape along the picturesque Clyde River, making it perfect for walking, hiking, snowmobiling or cross country skiing.

Added to this beauty is the magnificent log clubhouse, so unique with its towering log beams and spectacular view. You can snowmobile right to our front door where inside we offer delicious homemade food served by friendly Lanark folk or join us upstairs at "Billy's Irish Pub", to relax and enjoy the scenery.

Timber Run Clubhouse can be rented for weddings, parties and all manner of special events. It is definitely worth the short trip to Lanark Timber Run. Its licensed dining facility and famous Sunday Brunch will keep you coming back.

Please call for hours of operation and further information.

sledding in Sunset Country

Imagine the magic of stepping out of a secluded cabin into an ancient forest that's just begging you to come make tracks on its clean white floor. Share wide-open spaces with hearty, free-roaming wildlife. Be dazzled by the prisms the sun makes as it plays through ice-laden branches. Ride with the wind or slice through it as nature's wonders and spectacular vistas take your breath away. Trek from one friendly community to the next knowing a warm welcome always awaits you. Criss-cross terrain that varies from gently rolling to genuinely challenging. Or simply ride beside a frozen river into the sunset.

The joys of our winter extend way beyond OFSC trails. The ice fishing in Sunset Country is legendary. Walk, ski or sled right onto solid lakes. Drop bait next to a waterfall frozen in suspended animation. Land a trophy-

Trail Highlights

- Experience the exhilarating freedom of a vast white region of unspoiled beauty on groomed OFSC trails.
- Enjoy door-to-door access to hotels, resorts and restaurants and sled dealerships as well as service and supply stations.
- The three geographical regions of Sunset Country are all interconnected by a large – 3,000 km (1,860 mi.) – and non-congested network of OFSC trails.
- Discover why *Supertrax Magazine* describes Ontario's northwest as "one of the world's most impressive snowmobile destinations."
- See the world's longest snowmobile bridge at Ear Falls.

size fighter and cook it over your campfire. Or enter it in a fishing derby – they happen all season throughout the region. Bait and tackle are readily available at many accommodations and service stations.

Or if you're looking for a beautiful wilderness experience, strap on your cross-country skis at your door and wend your way through towering forests. Catch a glimpse of deer, fox, moose or behold majestic bald eagles soaring above.

Take a totally different route and try snowshoeing or dogsledding – both are great ways to explore our shores for ancient pictographs. Or cut some fine figure eights on any one of our many lakes.

For more information on Sunset Country, please visit www.sunsetcountry.net or www.ontariotravel.net

Sunset Country

RAINY RIVER REGION

Bordering the U.S., Rainy River is one of three regions that inspired *Minnesota Snowmobile Magazine* to describe Sunset

Country as, "the best kept secret in North America's Snow Belt."

RAINY RIVER

Northern hospitality starts here when you enter from TOP Trail D219MN. You can ride your sled right into the town's hotel and restaurant districts, making it easy to stop for a break, a meal or a night without leaving the trails.

Please visit www.town.rainyriver.on.ca

NESTOR FALLS

Follow the D118 Trail north to see the crystal magic of a frozen waterfall and discover ancient pictographs along its shores. During the February Winter Carnival, you can even try a round of snow golf.

Please visit www.lakeofthewoodsvacations.com

MORSON

Take a short detour west to catch the Annual Live Release Fishing Derby in late-February or St. Patrick's Pokerama in mid-March.

Please visit www.morson.org

EMO

Head east from Rainy River along Trail D219MN to quaint and charming Emo – the town that boasts the only one-sided main street in North America as well

as the continent's smallest church. Visit the 5,000-year-old Manitou Mounds, an Aboriginal ceremonial and burial site.

Please visit www.twspemo.on.ca

FORT FRANCES

The oldest town west of Lake Superior makes a great stopover spot as it offers a good variety of restaurants, accommodations and attractions. The Fort Frances Museum and Cultural Centre provides an authentic view of pioneer and Aboriginal life. Among numerous seasonal events, the "Fort" hosts the Sunset Country Annual Poker Derby and the Sabre Red Dog Snow Cross.

Please visit www.fortfranceschamber.com

ATIKOKAN

Head east from the "Fort" along TOP Trail D to Atikokan and explore sites that are only accessible by boat or plane in the summer. One such place is White Otter Castle – a massive log house and four-storey tower built single-handedly by James Alexander McQuat in 1912. Pass ancient pictographs and the remnants of a marine railway. Try to catch the Atikokan Entertainment Series.

Please visit www.atikokanonline.com

LAKE OF THE WOODS REGION

KEEWATIN/KENORA/MINAKI

Majestic vistas await you around the second largest lake in Ontario. If you're flying in, Kenora will be your starting point. If you ride in from the west, stop at Keewatin for the sled dog races.

In Kenora, good shopping and nightlife round out

your vacation days. Events throughout the season

delight the family – from the Santa Claus Parade to the Annual First Nations Festival of Culture and Sport in late-March. A

jaunt north to Minaki will take you to the heart of natural splendour and wildlife and to some of Sunset Country's most scenic cross-country and hiking trails.

Please visit www.lakeofthewoods.com

SIOUX NARROWS

Travel south from Kenora along TOP Trail D to picturesque Sioux Narrows on Whitefish Bay. Here you can see North America's longest single-span wooden bridge at 63 m (207 ft.) long.

Please visit www.lakeofthewoodsvacations.com

PATRICIA REGION

This northernmost region of Sunset Country is often called "Canada's Heartland." Most of the snowmobile-friendly towns have a local airport to accommodate regional flights.

Please visit www.heartland.on.ca

VERMILION BAY

Bordering the Lake of the Woods Region, the town's Fort Vermilion gives you a glimpse of life at an early fur trade fort.

Please visit www.visitmachin.com

EAR FALLS

Head north on TOP Trail A118 to the "Bald Eagle Capital of North America." Ear Falls is also home to the world's longest snowmobile bridge – 156 m (512 ft.) long – overlooking the English River System 12 m (40 ft.) below.

Please visit www.town.earfalls.on.ca

RED LAKE

Continue north on A117 to the lush forests and abundant wildlife around Red Lake. Snofest in January and the Cross Country Ski-Loppet in February attract fun-loving fans from all over.

Please visit www.red-lake.on.ca

DRYDEN

Located in the southern half of the Patricia Region, you can reach Dryden by heading east from Vermilion Bay on TOP Trail A. In addition to great outdoor activities, the town offers museums, theatre and one-of-a-kind shops. The information centre is located near Max the Moose – the mascot who's hard to miss.

Please visit www.cityofdryden.on.ca

SIOUX LOOKOUT

A beautiful destination any time of year, it's pure magic in winter. Ride the Pickerel Arm to frozen Moonlight Falls to see sparkly ice crystals suspended in mid air. Or catch the unique beauty of a partially frozen cascade at English River Falls. For a clear view of the spectacular Northern Lights, aim your sled for Sioux Mountains and watch the sky come to life with colour.

Discover more about Sioux Lookout at www.siouxlookout.com

IGNACE

Take the opportunity to see one of 20 known sites of Ojibway pictographs by following TOP Trail A111 south to Ignace.

From here you can also ride to White Otter Castle. In late-February, the Winter Carnival features a casino, a poker derby and radar runs.

Please visit www.town.ignace.on.ca

A person wearing a blue jacket, black pants, and yellow snowshoes is snowshoeing through a snowy forest. The background is filled with snow-covered trees and branches.

sledding in North of Superior

Up in the land north of the largest Great Lake, winter comes early and stays late – much to the delight of snowmobilers, skiers, ice anglers, climbers and everyone who sees winter as a season to be embraced rather than endured. From the Canada-U.S. border, north to Albany River...from Pukaskwa National Park in the east to the English River in the west, encompassing all the municipalities in the district of Thunder Bay...you can expect top-rate rides on the extensive trail network maintained by North of Superior's eight dedicated OFSC snowmobile clubs. Thanks to geography and a high annual snowfall, the region virtually guarantees superb OFSC snowmobiling conditions and picture-perfect scenery all season long. Wide OFSC trails lead you to the highest, most challenging mountainous terrain in northern Ontario or into the glory of deep-powder riding. There's a different adventure on every trail where snowmobilers can easily find trailside fuel stops, cosy lodging and hot, hearty fare to satisfy their well-earned hunger.

Trail Highlights

- Let 3,500 km (2,100 mi.) of groomed OFSC trails carry you over thrilling hills and pristine landscapes, around picturesque lakes and through deep coniferous forests dramatically draped in white.
- Explore the rugged shores of Lake Superior – the world's largest freshwater lake.
- Take in exciting poker runs, radar runs and competitive races all around the region as a participant or spectator.
- Marvel at Kakabeka Falls – the "Niagara of the North."

An elaborate system of groomed OFSC trails and large expanses of untouched back country await cross-country skiers and snowshoers of all skill levels. Steep moguls give alpine skiing experts a run for their life, while smoothly groomed hills encourage even the novice shusser.

Catch air in the half-pipe on your snowboard. Take the reins with a team of sled dogs. Drop bait through a hole on a frozen lake. Tackle thickly glazed cliffs and discover why the popularity of ice-climbing is soaring. You can experience amazing snowmobiling and more in Ontario's great white North of Superior.

For more information on North of Superior, please visit www.nosta.on.ca, www.ontariotravel.net or visit the North of Superior Snowmobile Association's website – www.nossa.ca or contact them at 1-800-526-7522.

North of Superior

NIPIGON

Nestled in nature about an hour east of Thunder Bay, this small, friendly lakeside community extends a warm welcome year-round. In winter, it connects you to the main Ontario Federation of Snowmobile Clubs (OFSC) trails in the region. Just west of town is the majestic Ouimet Canyon. This magnificent gift from the glaciers is approximately 152 m (500 ft.) deep and wide. Cloaked in white, the chasm takes on a stunning “other-worldly” appearance.

RED ROCK

A few minutes south of Nipigon lies the picturesque town of “Red Rock by the Bay.” Bordered by steep vertical cliffs and the Lake Superior coastline, Red Rock boasts one of the most spectacular panoramic views of the north shore. This trail town is also popular with ice climbers, snowshoers and ice anglers.

MARATHON

Here's a place where snowmobilers come from all over to “go for the snow.” They come for the excellent snow conditions on more than 200 km (120 mi.) of well-developed and groomed OFSC trails leading to the extensive TOP trail system. Over 10 km (6 mi.) of international-standard cross-country trails draw skiers. Alpine enthusiasts can choose from 12 downhill runs with a 105 m (350 ft.) drop. At nearby Pukaskwa National Park, you can enjoy winter camping in the Hattie Cove campground – accessible by snowshoes or cross-country skis.

MANITOUDAGE

Manitouwadge is an Ojibway word meaning, “Cave of the Great Spirit.” Here, spirits are high all season with activities ranging from snowmobiling and skiing to hockey and curling. Take part in the Superior Snow Challenge Loop where six host communities will treat you to “superior” hospitality. A great time to visit is during Frosty Days – a winter festival in February.

THUNDER BAY

Located at the geographic centre of Canada, Thunder Bay welcomes snowmobiling enthusiasts from everywhere, with all the amenities of a city and easy access to endless kilometres of clearly marked and carefully groomed OFSC trails.

TERRACE BAY

The town's name and unique look come from being built on a series of giant steps formed by ancient lakebeds as the last glaciers receded. Here snowmobilers will find the trails of their dreams, cross-country skiers can glide along excellent trails, snowboarders and skiers from novice to expert can enjoy clear long runs – day and night.

hockey game. Catch a movie or some music at a club. Stay in a downtown hotel or a cosy bed and breakfast. End your day with an authentic Finnish sauna to warm you up for a restful sleep.

Outside the city, head west to be awed by Kakabeka

Falls – the “Niagara of the North.” Head east to Sleeping Giant Provincial Park situated on a rugged peninsula of thick forests, numerous lakes and

high granite cliffs. The park offers some of the most dramatic heights and lookout points in the province.

Superb cross-country ski areas take you through rolling hills, hidden valleys and on challenging climbs. The area is also reputed to have the best downhill skiing between the Rockies and the Laurentians. For the daringly adventurous, tall, ice-cloaked cliffs are such an ice climber's paradise that Thunder Bay hosts North America's only ice climbing festival.

For more information please visit,

www.visitthunderbay.com

WHITEFISH LAKE

Head west and south from Thunder Bay around 30 km (18 mi.) to this truly pristine lake situated about

56 km (35 mi.) from the Minnesota/Ontario border crossing at Pigeon Lake. Snowmobilers will find the local hospitality irresistible and be delighted on some

of the best-groomed and least-crowded trails in the world. Ice scalers head for the Artesian Wells Ice Climb at the south-east corner

of the lake. Those with the pioneering spirit can explore Medicine Bluff Trail on snowshoes or cross-country skis.

But the biggest “bravos” come from the ice anglers because Whitefish Lake is internationally renowned for its walleye, jumbo perch and northern pike. The lake rates in Canada's top-10 for fish productivity so you can count on a catch. Ride your sled right onto the lake, drill a hole, drop your bait and enjoy the best of both worlds.

For more information on North of Superior, please visit www.nosta.on.ca or www.ontariotravel.net

sledding in **James Bay** **Frontier**

Discover hundreds of spectacular frozen lakes, rushing rivers and meandering trailside streams. Explore dense white forests teeming with wildlife in a land where the joy of snowmobiling begins long before winter makes its grand entrance in the rest of province.

Extending north from Latchford to Hudson Bay and west from the community of Hearst to the Quebec border, this magical snow-laden region known as the James Bay Frontier has over 5,000 km (3,000 mi.) of groomed trails maintained, operated and groomed by 25 OFSC snowmobile clubs.

Offering everything from "fun runs" to guided snowmobiling tours, challenging saddlebag treks and ultimate wilderness adventure, the James Bay Frontier dishes up a riding experience to appeal to every style and level of snowmobiling. And you can literally tour for weeks without ever following the same trail twice.

Yet, within this rugged wilderness, you'll never feel isolated because there's a full range of services along

Trail Highlights

- Take to the "road" on 5,000 km (3,000 mi.) of premier snowmobile trails.
- Some of the largest Snowmobile Poker Runs in the world are in the James Bay Frontier Travel Region.
- Discover spectacular scenery and mining history on the Gold Rush Tour.
- Test your sledding skill and endurance on an exhilarating guided wilderness trek to Moosonee.
- Board the Algoma Central Railway in Sault Ste. Marie that takes you to Hearst, the western gateway to the James Bay Frontier.

this vast system of trails – fuel stops, restaurants, accommodations ranging from housekeeping cottages to resorts, and local clubhouses where you can spend an evening unwinding in front of the fireplace with new-found friends.

Welcoming communities also invite snowmobilers to participate in poker runs, family snowmobile races, winter carnivals and festivals, and a host of outdoor activities – downhill and cross-country skiing, snowshoeing, ice fishing, dog sledding, sleigh rides, curling and more.

For more information about snowmobiling in James Bay Frontier, please visit www.jamesbayfrontier.com or www.ontariotravel.net

GOLD RUSH TOUR

The Gold Rush Tour is a triangular self-guided route that begins in New Liskeard and continues through the historic gold

mining towns of Kirkland Lake and Timmins, returning via Gogama and Matachewan to New Liskeard. Covering a distance of 800 km (500 mi.) of wide, groomed OFSC trails, the Gold Rush Tour is an exciting two- to three-day adventure that will take you through a fascinating mix of spectacular scenery and gold rush history.

For more information and maps for the Gold Rush Tour, call 1-800-387-8466.

NEW LISKEARD

Once called "Holy Cities" because there are so many churches here, New Liskeard is situated on the James Bay Frontier clay belt and is a farming rather than a mining community. Trails from New Liskeard lead north through picturesque countryside until they give way to the roller coaster hills of Earlton where you can catch TOP Trail A to A108 and Kirkland Lake.

COBALT/HAILEYBURY

Haileybury and Cobalt are part of the Tri-Town area that also includes New Liskeard. Silver was discovered in these parts in 1903 and by 1905,

one of greatest mining stampedes in history overwhelmed the Cobalt Camp. Today, you can relive this raucous period at the Northern Ontario Mining Museum where there are also displays of fluorescent rocks and indigenous silver. Besides silver, there's a flurry of winter sports and events in the region. Haileybury and Cobalt participate in New Liskeard's Tri Club Monster Poker Run – the largest snowmobile rally in Ontario, which draws over a thousand participants annually.

KIRKLAND LAKE

A modern community town with good facilities, Kirkland Lake has a local trail that takes you completely around town, passing several abandoned mining headframes that recall the glory days of the gold rush. Besides snowmobiling, you can downhill and cross-country ski here. And for more about mining, visit the Museum of Northern History at Sir Harry Oakes Chateau where the history of one of Canada's richest gold mining districts is depicted.

TIMMINS

Once the largest producer of gold in the Western Hemisphere, Timmins is the only city in the James Bay Frontier, and the largest city area-wise in North America, boasting over 500 lakes and rivers within its boundaries.

One of the most snowmobile-friendly cities in Ontario, Timmins has marked, groomed OFSC trails

within the city for easy access to gas stations, restaurants, shopping, entertainment and a wide variety of accommodations. If you want take a break from the trails for a day or two, there's excellent alpine skiing, and special events include the Annual Gold Rush Poker Rally in January and the South Porcupine Winter Carnival in February.

COCHRANE/IROQUOIS FALLS/MATHESON

Situated on the Arctic Watershed, the community of Cochrane is home to the Tim Horton Museum, the only museum in Canada dedicated to one hockey player. As one might expect, hockey tournaments, curling bonspiels, dogsledding expeditions, cross-country skiing and all kinds of outdoor sports

are the name of the game in this region. From Cochrane, you can book a 725 km (450 mi.) two-day wilderness snowmobiling odyssey to Moosonee, which is definitely not for the "faint of heart."

In nearby Matheson and Iroquois Falls, take in winter festivals and events such as the Iroquois Falls Annual Carnival and the Jackpine Snowmobile Club's Annual Poker Run.

KAPUSKASING

Kapuskasing means "that which branches from" in the Cree language and describes the

branching of the Kapuskasing River from the Missinaibi River. A friendly little community, Kapuskasing monitors the Northern Lights for Johns Hopkins University with 12 towers just outside town. In November, it hosts the Festival of Lights and in February, the Extravaganza Snowmobile Rally. Nearby Smooth Rock Falls is home to North America's shortest chartered standard-gauge railway.

HEARST

With the distinction of being deemed the "Moose Capital of Canada," there's little doubt about the exceptional wildlife sighting opportunities that await snowmobilers here.

Hearst is also the end of the line on the Algoma Central Railway, which originates in Sault Ste. Marie, where sledgers load their machines and climb aboard, bound for the glories of snowmobiling in the James Bay Frontier.

For more information about snowmobiling in the James Bay Frontier, please visit www.jamesbayfrontier.com, www.nosta.on.ca or www.ontariotravel.net

The right environment...

...for snowmobiling.

Kirkland Lake is the snowmobiling hub of the north, offering front door access to the finest trails in both northeastern Ontario and northwestern Quebec. In fact, the Kirkland Lake area alone boasts over 300 km of beautifully groomed trails, making cruising through this wilderness paradise one of the most satisfying sledding experiences you'll find anywhere in Canada.

- One of the longest riding seasons in Ontario
- Hotels, fuel and food are conveniently located on the trail
- Diverse terrain winding through wide open spaces and deep pine forests

sledding in Algoma Country

Nestled between Lake Superior and Lake Huron, Algoma Country offers snowmobilers extraordinary experiences. With an average annual snowfall of more than 3 m (10 ft.) you're assured of a deep, natural base throughout the season. For a truly one-of-a-kind snowmobiling venture, hop aboard the world-famous Snow Train for an unforgettable excursion through majestic Agawa Canyon. You board at Sault Ste. Marie and take your sled to ride your own "rails" as you go exploring through towns like Searchmont, Wawa or Hearst – also hailed as the "Moose Capital of Canada."

Algoma Country's diverse terrain offers unlimited opportunities for adventures in the snow – from steep trails meandering up mountainous hills to gliding over gently rolling countryside to the rush of following a stake line across a frozen lake where you may want to drop bait for some amazing ice fishing. Whichever OFSC trail you choose, pristine wilderness and breathtaking scenery await you at every turn. As well, Algoma is one of the most

Trail Highlights

- Cruise over 3,000 km (1,800 mi.) of top-grade OFSC trails through country where nature's beauty radiates in every direction.
- Take yourself and your sled aboard the Snow Train for a day-long excursion through spectacular Agawa Canyon.
- Attend exciting sledding events throughout the region – as a participant or spectator.
- Join in the fun and games at Bon Soi – one of North America's largest winter carnivals.
- Ride the Wawa to start the Superior Snow Challenge Loop, a self-guided circle tour through six snowmobile-friendly northern communities.

predictable and consistently good skiing areas on the continent.

Experience the rush of frosty air as you whoosh downhill at Searchmont or explore the true north on hundreds of kilometres of groomed cross-country trails.

Visitors from the States can get to the Algoma region by car or trailer via the International Bridge at Sault Ste. Marie or by riding along the treeline to one of the many communities that dot the north shore of Lake Huron.

Wherever you traverse our thoroughly groomed OFSC trails, you're never far from fuel stops, restaurants or lodging which, of course, all come with a healthy helping of northern hospitality.

For more information on Algoma Country, please visit www.algomacountry.com or www.ontariotravel.net or call 1-800-263-2546.

SAULT STE. MARIE

Sault Ste. Marie (pronounced Soo), the largest city in Algoma Country and a major border crossing from the U.S. is located

at the heart of the Great Lakes, adjacent to the mighty snowmaking influence of Lake Superior. The long winter season sees plenty of snow with an average accumulation of over 305 cm (120 in.). The city's snowmobile staging area offers convenient access to 2,000 km (1,200 mi.) of groomed OFSC trails and secure parking for trailers and trucks.

For a unique winter experience load your snowmobile on board the Algoma Central Railway and relax as they whisk you and your sled on a 480 km (300 mi.) journey to Hearst – or you can disembark along the line and make your own tracks on the trails. Back in the city, you'll find a range of accommodations, activities, restaurants and attractions including the Canadian Bushplane Heritage Centre and the Sault Ste. Marie

Casino. A highlight is the Ontario Winter Carnival Bon Soo – one of the largest winter festivals in North America – Jan. 31–Feb. 9.

For more information visit www.sault-canada.com or

call 1-800-461-6020 ext. 580.

ST. JOSEPH ISLAND

The most westerly of the Manitoulin chain of islands, St. Joseph, offers 160 km (100 mi.) of OFSC trails that wind through hardwood forests, cedar marshes and wide-open fields. The trails reach virtually all parts of the island and run through the towns of Richards Landing and Hilton Beach where you can find fuel,

restaurants, gift shops and accommodations. Come for Flurryfest – the island's winter party with a poker run, fish fry and many more entertaining events.

For more information, visit www.stjosephisland.com

THESSALON

The hub of the Mississagi tourist area, Thessalon makes a great base for a terrific winter holiday. A groomed OFSC trail system takes you in every direction, including south across frozen Lake Huron to Drummond Island or north towards Chapleau. Local attractions include the Thessalon First Nations Bio-Centre. Thessalon provides lodging, food, shopping and services. Visit www.adss.on.ca/thessalon or call (705) 842-2217.

MUNICIPALITY OF HURON SHORES

An amalgamation of communities facing beautiful Lake Huron, offers over 200 km (120 mi.) of scenic OFSC trails, all linked to provincial, national and international networks. The first weekend in February brings the fun of Winterfest. As for ice fishing, just name your catch – pickerel, lake trout, speckled trout, whitefish, pike and sturgeon – a 104-pounder was once pulled through the ice at Bright Lake.

For more information, visit www.huronshores.ca/ironbridge

BLIND RIVER

In the Blind River area riders can tour for days, exploring dense forests, secluded lakes and rushing streams all tucked under a blanket of fresh snow, along 500 km (310 mi.) of wide, groomed OFSC trails. Local motels and lodges offer excellent packages.

For more information visit www.blindriver.com or call 1-800-563-8719.

ELLIOT LAKE

Here snowmobiling season stretches from early December to late March. The City of Elliot Lake, offers 400 km (250 mi.) of groomed OFSC trails that link into the Trans Ontario Provincial (TOP) trail system, and serves as a hub for a network of 3,273 km (2,046 mi.) of OFSC trails. Snowmobilers can explore new country on local wilderness trails. Make use of our interconnecting trail system and you can choose to tour other destinations on one to seven day trips, without ever having to backtrack on the same trail. Sledders enjoy the convenience of "ride to door" access to fuel, repairs, and an abundance of restaurants and affordable lodges. With area lakes holding the largest stock of lake trout in Ontario, ice fishing is extremely popular in Elliot Lake. Catch our key event of the season – Trail Rider Poker Run in February 22, 2003.

For more information, call 1-800-661-6192 or visit www.cityofelliotlake.com

SPANISH

Three regional OFSC snowmobile clubs maintain a variety of trails that connect to the TOP trails. This extensive trail system leads to many frozen lakes, well stocked with trout, walleye and northern pike. Tree-lined trails provide safe crossing of the North Channel to scenic Manitoulin Island. Other trails offer up-to-the-door access to food, fuel and accommodations.

For more information, visit www.town.spanish.on.ca

WAWA

You'll know you've reached Wawa when you spot the statue of a giant goose poised for flight. Home to wilderness snowmobile riding where the only sign of civilization is the trail itself, Wawa normally receives a big helping of snow providing a good base to groom over 640 km (400 mi.) of interconnecting OFSC trails. The town is part of the Superior Snow Challenge Loop

that takes snowmobilers through Dubreuilville, White River, Hornepayne, Manitouwadge and Marathon over vastly varied terrain. If you like to ride on the wild side, many old unused logging roads challenge you to a run in snow as deep as 152 cm (60 in.). Run for kilometres in the Magpie River Valley – a landscape reminiscent of the Arctic.

For more information, visit www.wawa.cc or call 1-800-367-9292 ext. 260.

WHITE RIVER

Although White River has earned the dubious distinction of being the "Coldest Spot in Canada," the area has great winter weather with mounds and mounds of snow. You can savour the season on hundreds of kilometres of groomed OFSC trails or "rough it" on ungroomed routes. A real snowmobiler's town, White River offers accommodations, dining and direct access to TOP trail links. And, it's home to the bear that inspired Winnie-the-Pooh. For more information, visit wr.lakeheadu.ca/~wrlib or call 1-888-517-1673.

CHAPLEAU

Surrounded by boreal forests, Chapleau is situated just east of where the Atlantic and Arctic watersheds divide. Snow is guaranteed in this community where the snowmobiling season runs from November well into April. In addition to the 529 km (300 mi.) of groomed OFSC trails, there are abandoned logging roads which provide the adventurous rider with deep snow runs. It's also home to Chapleau Crown Game Preserve – the world's largest – and to the Northern Pike Derby in mid-February. The town is a hub for trails throughout northern Ontario and has earned a glowing reputation for hospitality.

For more information, visit www.township.chapleau.on.ca

The centre for

Superior SNOWMOBILING

Sault Ste. Marie is at the centre of over 2,000 kilometres (1,200 miles) of groomed trails that weave through the breathtaking scenery of the region. There's additional access to another 30,000 kilometres (18,000 miles) of interconnecting trails through the *Trans Ontario Provincial Trail System (TOPS)*. Sledders also have the unique option of boarding the famous *Algoma Central Railway* with their snowmobiles and stopping at various places along the line to link to the trail system. Snow comes early and stays late, with an annual average snowfall of over 11 feet, allowing snowmobilers to explore the rugged terrain of the Canadian shield for an extended season. After a day on the trails sledders can visit *Casino Sault Ste. Marie* or one of the many attractions, shopping, dining and entertainment spots. The area is also home to the finest ice fishing, downhill and cross-country skiing in the midwest. Visit *naturally gifted* Sault Ste. Marie and discover the centre for superior snowmobiling adventure!

Sledding in Rainbow Country

Experience outdoor adventure on trails where winter has blanketed the rugged Canadian Shield with all its incredible wonders. Snowmobile under clear blue skies as you skim across countless marked trails, a never-ending number of marked lake trails, glide through majestic forests of evergreen and birch, and catch sight of an astounding variety of wildlife.

Located in the heart of the province, Rainbow Country is accessible from every direction and the hub of the over 46,000 km (28,580 mi.) of sledding trails that branch out across the province. But once you arrive here, you'll probably never want to leave this breathtakingly beautiful country which boasts thousands of kilometres of OFSC groomed trails.

For starters, you can ride the elaborate loops of the Sudbury Trail Plan, covering over 1,200 km (700 mi.). Explore the "Playland Route" which circles its way from Parry Sound to Killarney, Sudbury, Port Loring and

Trail Highlights

- On TOP Trail C, cross the longest snowmobile bridge in the region at the Pickerel River or take the French River Snow Shuttle for a change of pace.
- Snowmobile along TOP Trail C107D on Manitoulin Island, the largest freshwater island in the world and one of Ontario's newest snowmobiling destinations.
- On Lake Parachie, there are radar runs every weekend throughout the winter.
- Ride the stake line across Ramsey Lake to experience the wonders of Science North or follow TOP Trail C107D to land's end at Killarney.

back to Parry Sound. Or follow the "Rainbow Tour Route" which originates on Manitoulin Island and winds its way to Whitefish Falls, Killarney and Sudbury.

And that's only the beginning because no matter where you go, you'll discover lots of exciting seasonal activities, snowmobiling events and winter festivals. Strap on some snowshoes, try your hand at curling, cross-country ski, skate on a frozen lake or sled out to a heated hut and wait for whitefish, perch and pike to take the bait. Then put your feet up and relax in accommodations that vary from housekeeping cabins to bed and breakfasts, hotels, motels and luxurious waterfront resorts.

For more information about snowmobiling in Rainbow Country, please visit www.rainbowcountry.com or www.ontariotravel.net

Rainbow Country

Rainbow Country is divided into three geographic regions with each area offering a distinct landscape and sledding experience on a vast network of interconnected trails.

DISTRICT OF PARRY SOUND

Situated in the heart of the glorious 30,000 Islands, Parry Sound is surrounded by the beauty of Georgian Bay and the rugged, pink granite of the Canadian Shield – a landscape that transforms itself into an enchanted wonderland with the first snowfall.

Ride on 1,300 km (800 mi.) of groomed OFSC trails, spanning an area from the

French River in the north to the Moon River in the south; and from the shores of Georgian Bay to the Magnetawan River in the east. Glide through forests of snow-clad white pine. And end your day in front of a cosy fireplace in accommodations that vary from full-service resorts to lodges, hotels, motels and house-keeping cottages, with many located on or near snow-

mobiling trails such as those around Pointe au Baril.

While you're in this area that rolls out the welcome mat for snowmobilers, enjoy a multi-

tude of winter activities. Skate on outdoor rinks in

Humphery, Nobel and other communities. Glide cross-country at the Georgian Nordic Ski & Canoe Club in Parry Sound. Ice fish for whitefish, perch or pike throughout the region. And enjoy events and festivals like the 30,000 Islands Bonspiel, Snowfest, Seguin Mail Run & Mush Rush and many others.

For more information about sledding in Parry Sound District, please call 1-800-461-4261.

GREATER SUDBURY

This region includes the French River, Est-Sudbury East and Sudbury – the largest city in Rainbow Country.

The Sudbury Trail Plan (STP) extends over 1,200 km (740 mi.) of OFSC trails winding through a mix of twists and turns and straight-aways that traverse Precambrian outcrops. Tunnel through dense forests of spruce and across numerous well-marked lakes. On the French River trails, routes span countless lakes and bore through forests where you can see breathtaking stands of white pine.

SUDBURY

Situated on the Canadian Shield on the shores of Ramsey Lake, "The Big Nickel" is a very snowmobile-friendly city with great loops that will take you past the city's major attractions including Science

North. Internationally renowned for the accessibility of its science exhibits, Science North is an architectural wonder featuring two giant stainless steel snowflakes built into a rock outcrop overlooking the 11 km (7 mi.) expanse of Ramsey Lake. In addition to its fabulous interactive

exhibits and festive special events, packages are available for dinner and shows at the giant-screen IMAX® theatre.

As one would expect from the largest city in the area, there's a good selection of restaurants and accommodations and lots of things to see and do.

Shop at the New Sudbury Centre, the largest shopping complex in Northeastern Ontario. Take in local theatre, art galleries and the Sudbury

Symphony Orchestra. Head outdoors for great down-hill skiing, cross-country skiing, ice fishing and non-stop sledding events, winter festivals, happening round town and in surrounding areas.

For more information about snowmobiling in Greater Sudbury, please call 1-800-465-6655.

DISTRICT OF MANITOULIN AND THE NORTH SHORE

stretching from Killarney and Espanola on the North shore and south to Manitoulin Island, this is a land of striking snowscapes, dense forests and white-capped mountains with OFSC groomed snowmobiling trails

that provide unparalleled glimpses of wildlife.

KILLARNEY

Set against the backdrop of the La Cloche

mountain range, the tranquil town of Killarney is one

of Ontario's most beautiful resort destinations. In addition to snowmobiling, you can ski on 50 km (30 mi.) of track-set trails in Killarney Provincial Park where winter camping is also available.

ESPAÑOLA

A sparkling white winter jewel, Espanola welcomes snowmobilers with trails leading right up to hotels, lodges and resorts, restaurants, gas stations and snowmobile dealerships.

THE NORTH SHORE

Inviting communities such as Nairn Centre, McKerrow, Webbwood, Massey and Spanish welcome snowmobilers with North Shore hospitality and all the amenities.

MANITOULIN ISLAND

The largest freshwater island in the world is one of Ontario's newest snowmobiling destinations.

A winter treasure, Manitoulin Island offers OFSC trails, awesome lookouts and hospitable towns and villages with restaurants, lodges, motels and housekeeping cottages. Here you'll find peaceful villages with stirring tributes to the island's rich Aboriginal culture. Pick up handcrafted leather and beadwork gifts in unique little shops. Make your way to Gore Bay for a breathtaking view of Bridal Veil Falls, frozen in suspended animation.

For more information about snowmobiling in Rainbow Country, please visit www.rainbowcountry.com

Today's Road Conditions: Heavy Snow to Snow-packed.

UNCOVER the secrets of our ancient mountains, as you wind through majestic snow-capped forests that blanket the shores of Georgian Bay's frozen North Channel. Blessed with abundant snow and meticulously groomed trails, makes us home to the best snowmobiling in the world.

Travel the Spanish River Delta and over to the breathtaking natural beauty of the famous Killarney area. Stop in along the way at a host of communities eager to warm you with unmatched northern hospitality. Venture over to Manitoulin, the world's largest freshwater island to see first hand why Spirits Come to Play. Oh yes, traffic conditions are light and moving well.

LET YOURSELF GO.

Sled the distance.
Play favourites.
Stay awhile.

SUDBURY is the largest centre in Ontario to boast an elaborate snowmobile trail system right at its doorstep.

You can sled for days without passing the same scenery twice, yet be within reach of a world-renowned science centre, the best shopping in Northeastern Ontario, an evening at Racetrack Slots and much more.

Whether you're looking for a place to rendezvous the sledding party or a complete family getaway, Sudbury offers a unique winter vacation destination.

SLED THE DISTANCE...

River crossings

Sledders cross the 56 metre (185 foot) STP snowmobile bridge that spans the Onaping River.

The Sudbury Trail Plan

The Sudbury Trail Plan (STP) is one of the province's oldest and best organized. It extends fully 1,300 km (more than 800 miles), winding through a leisurely mix of turns, twists and straightaways that traverse the oldest rocks on the continent, bore through dense pine forests and skirt many of the city's lakes and waterways.

Trans Ontario Provincial (TOP) trails radiate in all directions.

Discover the Difference

On behalf of its eight-member clubs, the STP association keeps the trails some of the best in Ontario through an intensive 24/7 grooming operation that maintains an average trail width of 14 feet.

An integrated signage system and S.T.O.P. (Snowmobile Trail Officer Patrol) program make getting around safe and easy.

Travel the Ring Trail

A unique feature of the STP is the Ring Trail, a loop that connects riders to the trail systems of member clubs, allowing sledders to access different experiences every day.

Share our Favourite Haunts

To the northwest, the STP passes an ice fishing village on Whitewater Lake where the locals are proud to show off their prize Walleye and Pike.

To the northeast, trails skirt the edges of giant Lake Wanapitei and climb Wolf Mountain where sledders gather for a panoramic view of some 30 km (nearly 20 miles) of scenic northern terrain.

To the south, trails meander scenic deciduous and coniferous forests, pass natural ice formations at Long Lake and scan the Killarney and La Cloche Mountain ranges.

Visit our Web site at www.sudburytrailplan.on.ca

Scenic spots

The Wanapitei Dam is one of dozens of popular resting spots throughout the STP.

Sled-friendly stops

STP features plenty of stops for fuel, food and lodging. Many have established themselves as "points of interest" for touring sledders.

PLAY FAVOURITES...

Sledding Aside...

Sudbury's unique attractions and diverse range of leisure activities present numerous off trail adventures too!

Whether lacing up for a skate along the lakeshore, breaking a snowshoe trail through the conservation area, or skiing a stretch of more than 100 km (60 miles) of cross-country trails, you'll never run short of things to do.

Science North

Science North is Northern Ontario's most popular tourist destination and a short run from the Ring Trail. Its two giant stainless steel snowflakes are linked by an underground tunnel carved out of two billion year old rock.

The Science Centre, IMAX® theatre presentations, Virtual Voyages Adventure Rides and F. Jean MacLeod Butterfly Gallery, a sanctuary for 400 free-flying tropical butterflies, offer something for everyone.

Sudbury Downs Racetrack Slots

Open daily, the "Slots" features 325 machines to test your luck and the Mardi Gras Lounge where you can indulge in daily buffets or a la carte dining.

Shopping in the Northeast

Sudbury offers the largest retail shopping experience around, including the New Sudbury Centre, Southridge Mall and Supermall, big box stores such as Costco, Chapters and Home Depot and the 400 businesses and services in Sudbury's downtown.

What's On Where

Sudbury's entertainment scene presents a variety of options, from art exhibitions, symphony concert performances and live theatre, to hard hitting OHL hockey and "Sudbury on a Saturday Night."

For what's on where, visit www.wowsudbury.com

Larger-than-life IMAX®

This winter, Science North's five-storey IMAX® screen features: Jane Goodall's Wild Chimpanzees, Shackleton's Antarctic Adventure, Science North's IMAX® Festival and Journey into Amazing Caves. Visit sciencenorth.ca for more information.

Indoor shopping

The 110-store New Sudbury Centre is the largest in Northern Ontario and one of four indoor malls.

Hands-on science

Science North's science centre is renowned for its fun, hands-on approach to science education.

Virtual Voyages Adventure Rides

If you didn't get your share of "butterflies" on the STP, don't miss Virtual Voyages. Simulator technology combines with high-resolution animation to move you in sync with big screen action.

AND STAY AWHILE

Affordable Comfort

Sudbury offers a variety of accommodations and a range of options to suit any travel budget, from cozy B & Bs, to snowbound retreats, to the finest names in the hospitality industry.

If you'd like more information about your Sudbury winter getaway,
call 1-877-304-8222
or visit our Web site at www.sudburytourism.ca

Cut Corners

Whether you trailer in from across the border or up from Southern Ontario, you'll be surprised at just how far your dollar will take you.

Good Eats

Sudbury's more than 300 restaurants range from popular North American favourites, to the tempting and versatile creations of our specialty chefs.

Discover

More

www.ontariotravel.net

Thinking of an Ontario vacation? Then www.ontariotravel.net should be your first stop. From the comfort of home you can look into snowmobiling, dogsledding, skiing, skating and more – any time of day or night. You can even check for locations, trips and outfitters before you set out. Expand your sense of adventure at www.ontariotravel.net where discovering Ontario was never so easy.

sledding in the Near North

When its splendid fall displays draw to a close, the Near North, part of Blue Sky Region, transforms itself into a wondrous land of snow-sculpted forests, frozen lakes dusted with white, and little towns and villages that look just like Christmas cards.

Home of "The Greatest Snow on Earth," the Near North Trail Association maintains 3,500 km (2,100 mi.) of groomed and marked OFSC snowmobiling trails that stretch from Novar to Temagami, and from the French River to Mattawa. Offering limitless riding possibilities for every level of expertise, this spectacular area is known for its self-guided tours. For all levels, snowmobiling is easy and accessible in the Near North – packages, snowmobile rentals and complete outfitting is available.

The Near North dishes up a treasure trove of other winter-friendly activities. Cross-country ski or snowshoe on trails that thread through awesome terrain and majestic forests. Fly down the slopes of North Bay's Jack Pine Hill. Book a

Trail Highlights

- Experience limitless riding possibilities on 3,500 km (2,100 mi.) of OFSC groomed trails that are maintained by the Near North Trail Association.
- Park and ride from Port Loring where there are total approximately 1,250 km (775 mi.) of OFSC trails.
- Participate in radar and poker runs, snowmobile races and other events organized by local snowmobile clubs.
- Park your snowmobile for the night and catch a great buckey in Nipissing Bay.
- From the hub of Ontario's Near North you can stay for a week and try a different snowmobile trip every day and never ride the same trails.

dogsledding excursion and venture into the wilderness for an afternoon or a week. Ice fish for perch, whitefish, lake trout, walleye, northern pike and herring on Lake Nipissing, Lake Nosbonsing and other great spots. And stay on to enjoy a flurry of special winter events and carnivals, including maple sugar festivals, throughout the whole region.

Look for accommodations throughout the region that vary from cottages, camps and lodges to hotels and motels in the larger areas.

For more information about snowmobiling and other winter activities in Near North's Blue Sky Region, please visit www.ontariosnearnorth.on.ca, www.ontariotravel.net or call 1-800-387-0516.

MATTAWA

A picturesque little town on the Quebec border, Mattawa is a great place to stay over if you want to get in some great outdoor activities at the Canadian Ecology Centre.

The Canadian Ecology Centre, located in Samuel de Champlain Provincial Park, brings people and technology together in a magnificent outdoor setting. The centre features a number of winter programs including dogsledding and treks through the forest where you can hear the howls of wolves with a parabolic sound dish. Stay in one of the cabins at the centre.

TEMAGAMI

An all-season resort area with spectacular lakes and magnificent stands of pine, Temagami offers accommodations ranging from housekeeping cottages to lodges located right on sledding trails, with many offering special snowmobile packages. Look for great cross-country skiing, ice fishing and a fantastic panoramic view from the Fire Tower at the summit of Mount Caribou.

RIDE AROUND NIPISSING TOUR

The Ride Around Nipissing (RAN) is a self-guided tour with OFSC trails that will lead you to communities and getaway locations that surround one of Ontario's most beautiful lakes. You'll visit North Bay, Sturgeon Falls, Lavigne, Beaucage, Port Loring and other hospitable towns along the way.

NORTH BAY

The largest city in the region, North Bay lives up to its reputation as one of Ontario's best winter playgrounds, starting with a ski hill right in the middle of the city. Featuring a quad chair lift and a state-of-the-art snow-making system, Jack Pine Hill attracts both novices and fanatics. The facility is also home to the region's first snowtubing park, a snowboarding half-pipe and terrain park and an interpretive trail.

If you're looking for some excitement inside catch live entertainment at the Capitol Centre, the largest performing venue north of Toronto. Afterwards enjoy casual fine dining in restaurants around the city. And if you're here in early February, celebrate Le Carnaval, a French Canadian/English winter carnival with mascot Bon Homme, traditional French Canadian food, bonfires, family activities and more.

For more information about snowmobiling in North Bay, please call 1-800-387-0516.

STURGEON FALLS

Get into some action yourself at the Sturgeon Falls Indoor Pool and Waterslide where you will find a 20 m (72 ft.) indoor pool and fitness centre.

POR T LORING

Known for its fabulous trails, Port Loring is also

home to the Loring Deer Yards where over 10,000 of these gentle animals spend the winter months. Observe them from sledding trails or from lookout stands.

ALMAGUIN HIGHLANDS

Located south of North Bay, the Almaguin Highlands area includes Burk's Falls, Magnetawan and Sundridge which is situated on Lake Bernard.

In the Almaguin Highlands area, discover the Near North's only covered foot bridge in Burk's Falls. Enjoy the uncrowded atmosphere of Magnetawan, situated on an historic section of the Trans-Canada Trail known as Ontario's Ghost Road. Visit the numerous maple syrup producers. Or learn how to dogsled at any one of a number of outfitters. Choose from a scenic day trek, overnight trip or a challenging seven-day expedition.

For more information about the Near North, please visit www.ontariosnearnorth.on.ca, www.ontariotravel.net or call 1-800-387-0516.

A SNOWMOBILE HAVEN

TORBAY COTTAGE RESORT

We are small and friendly, hidden on a quiet residential street nestled within the City of North Bay. Our beautiful, modern, clean, and affordable cottages are on the shore of Lake Nipissing with direct trail access (NB309 & SS703). Walk or sled to eat, beer and liquor store, groceries, entertainment, etc.

Everything needed for efficient living is right at hand: fully-equipped kitchen including coffee maker and microwave, linens and towels, gas fireplace, cable TV and BBQ. Relax in our hot tub after a good day's ride.

Your machines are secure at night and we can provide heated workshop/garage space if needed.

Should you need parts, most are available locally. Consider us for your RAN & RAP tour. Our rates range from \$90 per couple per night, to as low as \$170 for 6 people per night. While reservations are accepted for one night visits in our cottages and units, most guests utilize Torbay as home port for day trips and stay 3 to 5 days. We also offer special weekly group rate. Please call us for a quote.

ENJOYING YOUR VISIT

In Snow Country Ontario, we want to make sure everyone has the best snowmobile adventure possible. So, we've included some tips that'll help everything run smoothly on the trails.

A FEW RULES AND REGULATIONS WHEN SNOWMOBILING IN ONTARIO

- The same rules of the road that motor vehicle drivers follow are the rules of the trails for snowmobile drivers. These rules carry similar penalties, including possible fines, loss of driver's licence, criminal charges and/or imprisonment.
- Everyone needs to carry a valid driver's licence, along with current snowmobile registration and proof of insurance, at all times when on the trails.
- To drive a snowmobile legally, it's mandatory that

you possess a valid driver's licence and/or snowmobile operator's permit.

- Both driver and passenger need to wear a helmet when riding a snowmobile.
- To ride on Ontario Federation of Snowmobile Clubs prescribed snowmobile trails, be sure your valid Snowmobile Trail permit is affixed to your windshield. You can buy a permit from any local snowmobile dealer or at various snowmobile clubs. When you buy a Snowmobile Trail Permit a portion of the purchase price goes toward local maintenance and/or upgrading of existing trails and the development of new trails. See the ad on the

outside back cover or call (705) 739-7669 for a location convenient to you.

- 2002/2003 Snowmobile Trail Permit fees (in Canadian funds including GST):
Full Season permit price \$170 (if purchased on or before December 1, 2002 is \$140).
Seven-day Permit (seven consecutive days) \$100 (may be purchased on the trail from OFSC Trail Wardens where available). One-day Permit is \$35.
- Do not drink and ride.
- Stay on marked OFSC trails.
- Obey posted speed limits.
- Please keep rowdy behaviour off the trails.
- OFSC trails are for snowmobiling in the wintertime only; please stay off the trails during all other seasons.
- Be polite and respectful of landowners.
- Close gates after you pass through.
- Report any property damage.
- Leave tracks, not trash.
- Take care not to damage small shrubs and saplings along the trails.
- Be mindful of the domestic animals and wildlife.
- Be sensible about riding at night close to homes.
- Leave private property when requested.
- If you'd like to camp, set a fire or have a cookout along the trail, you'll need to get permission beforehand.
- Use the bathrooms provided by clubs and local pit stops.
- Help keep noise pollution to a minimum – don't alter stock exhaust pipes.
- For everyone's safety, obey the posted speed limits.

BE WISE ON WATERWAYS NEAR HYDROELECTRIC STATIONS AND DAMS

Remember that hydroelectric plants operate year-round and that their operation affects waterflows and ice conditions. Ice that forms several kilometres away

from a dam or generating station can be thin and inconsistent because of the moving water beneath it.

- Avoid snowmobiling, cross-country skiing or ice fishing on rivers or lakes near dams and generating stations.
- Don't risk walking onto a river or lake where the ice may be thin due to the current or where changing water levels have pushed water on top of the ice.

GETTING HERE

To cross the U.S./ Canada border as quickly and smoothly as possible, please have a valid passport and proof of citizenship, preferably with a current photo, ready to present when asked.

You'll also need to present your proof of ownership and registration papers – exactly as you would do with your motor vehicle.

- Major border crossings: Cornwall, Niagara Falls, Queenston, Windsor, Sarnia, Sault Ste. Marie, Fort Frances and Rainy River.
- Remote Area Border Crossing: A pre-approved Remote Area Border Crossing (RABC) permit allows you to cross into Canada 24 hours-a-day, 7 days-a-week without reporting to an official port of entry or customs office – as long as all imported goods are declared. This permit is available for travel

ONTARIO TRAVEL INFORMATION CENTRES

The following Ontario Travel Information Centres are run by the Ontario Tourism Marketing Partnership Corporation (Ontario Ministry of Tourism and Recreation) and provide tourist information on the entire province. Centres stock brochures and offer public restroom facilities. We suggest that you call 1-800-ONTARIO to verify hours of operation at the travel centres.

GETTING HERE

To cross the U.S./ Canada border as quickly and smoothly as possible, please have a valid passport and proof of citizenship, preferably with a current photo, ready to present when asked. You'll also need to present your proof of ownership and registration papers – exactly as you would do with your motor vehicle.

- Major border crossings: Cornwall, Niagara Falls, Queenston, Windsor, Sarnia, Sault Ste. Marie, Fort Frances and Rainy River.
- Remote Area Border Crossing: A pre-approved Remote Area Border Crossing (RABC) permit allows you to cross into Canada 24 hours-a-day,

7 days-a-week without reporting to an official port of entry or customs office – as long as all imported goods are declared. This permit is

available for travel in two areas: Pigeon River through to and including Lake of the Woods, and the Canadian shore of Lake Superior from Pigeon River to Terrace Bay. If you wish to pick up a RABC permit, you need to be a Canadian citizen or U.S. citizen residing within 100 km (62 mi.) of the border, in good health, a law-abiding citizen and have sufficient funds for the purpose of your visit in Ontario. Remember, you also need to declare all goods you are importing. Once you get

your RABC permit, you're free to snowmobile along the approved trails of the Northwestern Ontario Snowmobile Trail Association. The RABC permit costs \$30 (Cdn) per person or family, and is valid for one year. You won't need a permit if you plan to report directly to a Canada Customs Office. Processing your application may take up to four weeks, so we recommend that you apply well in advance of your trip. You may apply in person at any Canadian port of entry, or mail your request to:

Canadian Immigration Centre

204 First Street, Fort Frances, Ontario, Canada
P4A 1K5

Canadian Immigration Centre

975 Alloy Drive, Thunder Bay, Ontario, Canada
P7B 6N5

CUSTOMS REQUIREMENTS

If you are a Canadian citizen or permanent resident of the United States, you won't need a passport or visa to enter Canada. However, you will need proof of citizenship such as a birth certificate, citizenship certificate, passport

or landing card. You should also carry a copy of your vehicle and sled registration and insurance card.

WEATHER CONDITIONS

Temperatures are given in degrees Celsius (°C) with the Fahrenheit (°F) equivalent often added. For an exact conver-

sion of °C to °F, multiply the number of °C by 9, divide by 5 then add 32. Remember, temperatures can dip much lower when the windchill factor is added in, so be sure to take the wind into account before heading out. If you need a current weather-check:

Environment Canada Public Weather Recording

Tel: 1-900-565-5000

(English – 95 cents per minute, two-minute minimum)

Tel: 1-900-565-4455

ADDED VALUE

If you want to get more for your vacation dollar, look no further than Ontario. Our great exchange rates mean that U.S. dollars become at least \$1.45* Canadian and your Canadian dollar is always worth a dollar. Any Canadian financial institution** will give you the best available rate, or use a major credit card[†] or bank card at any ATM in the province. It doesn't matter if you are visiting from across the border or across Canada, we give you more to see, do and spend. Ontario has always been a great place to visit, so why not make it your next holiday destination? You'll like what we have to offer.

*Exchange rates are subject to change without notice. **We recommend that all visitors use Canadian funds. Currency exchange offices can be found at most travel information centres at the U.S./Canada border, and are open daily. You'll also receive a great exchange rate at our international airports in Toronto and Ottawa, at all banks, trust companies and credit unions. You can also use bank cards or credit cards to obtain Canadian funds at ATMs throughout the province. Banks are generally open 10 a.m. to 4 p.m. Monday to Thursday and to 6 p.m. on Friday (check your nearest branch for possible Saturday hours). Most trust companies and credit unions are open 9 a.m. to 6 p.m. Monday to Saturday. Some banks and trust companies offer extended hours. †American Express, MasterCard, VISA, Diners Club, En Route and Carte Blanche.

THANKS TO OUR

LANDOWNERS

Throughout our trail system, generous landowners allow the winter use of their property for the enjoyment of snowmobiling. This land use privilege is crucial to the existence of the snowmobile trail which provide many social, recreational and economic benefits to our entire community. Without the continuing cooperation of these unselfish friends of snowmobiling, the quality of winter life throughout our area would be significantly diminished.

We ask everyone in our community, but especially snowmobilers and those who benefit most directly from snowmobile trails, to say a special thanks to our landowners for the use of their property again this season.

Thank you from

All the
OFSC Clubs and
Volunteers in Ontario

THE ONTARIO FEDERATION OF
SNOWMOBILE CLUBS

WHEREVER YOU SEE THIS SIGN ON A SNOWMOBILE TRAIL

CROWN LAND • PUBLIC LAND • PRIVATE PROPERTY • YOU NAME IT...

The law says you must have a valid Trail Permit affixed to your sled*.
So purchase your 2003 Snowmobile Trail Permit before riding an OFSC trail this winter.

*See the Regulations under the Motorized Snow Vehicles Act for specified trail permit exemptions: for example, landowners and their families when on their own property, commercial users such as licenced trappers and prospectors, and others.

Snowmobilers **KEEPING NATURE BEAUTIFUL**

For more than 30 years, snowmobilers have been riding with nature and doing our part to keep it beautiful.

Today, responsible riding is more important than ever, so please continue to:

Leave Tracks, Not Trash

If you had space to bring it in, then respect nature by carrying it out too.

Maintain Your Sled

A well-tuned snowmobile is more environmentally-friendly and reliable.

Protect Wildlife

Animals are more vulnerable in winter, so keep your distance and leave them alone.

Keep It Quiet

Refrain from using after market pipes that increase noise and annoy others.

Stay On The Trail

Organized trails provide environmentally friendly corridors, so ride on them wherever possible.

Respect Sensitive Areas

There are lots of other places to ride, so avoid areas marked as environmentally sensitive or protected.

Embrace New Technologies

Mother Nature appreciates snowmobiles that run even more efficiently and effectively.

Spread the Word

Snowmobiles have improved continuously thanks to oil injection, sound reduction measures, variable height exhaust valves, direct injection, on-board computers and now, 4-stroke engines.

For more info, please click on www.ccso-ccom.ca

Snowmobiling is Great Family Fun!

Snowmobiling is enjoyed by hundreds of thousands of Canadians each winter. It provides over \$3 billion in economic activity annually, primarily benefiting rural and small town Canada. Please help keep snowmobiling safe, beautiful and enjoyable by riding responsibly and obeying all local laws and regulations.

To enjoy 1000's of groomed OFSC trails Buy your Snowmobile Trail Permit.

Province of Ontario law requires each sled using an OFSC trail for recreational purposes to display a valid snowmobile trail permit on both private and Crown Land.

(See the Regulations for specified trail permit exemptions.)

SIGN UP!

To receive OFSC benefits such as our magazine and TOP Trail Guide complete the "OFSC Requirements & Trail Use Information" form when buying your trail permit.

Seasonal Fee

\$170

if purchased after
December 1, 2002

(\$140 if purchased by December 1/02)
